

# Approach to aircraft and high-speed railway industries

- ★ Aircraft jig processing
- ★ Assembling jig processing
- ★ Mold processing

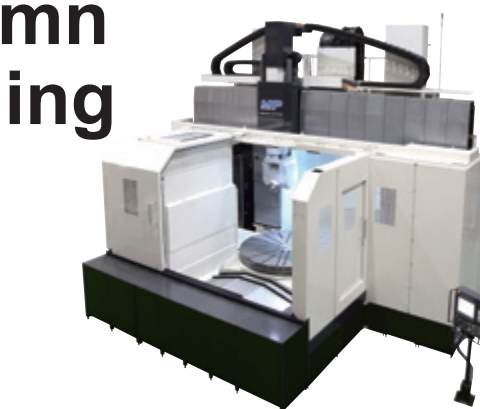

## LINEUP

### Machine Tools

- 5-Axis Machining Center (Horizontal Type/Bridge Type)

- ▲ Double Column Type Machining Center

- ▲ Vertical Turning Mill

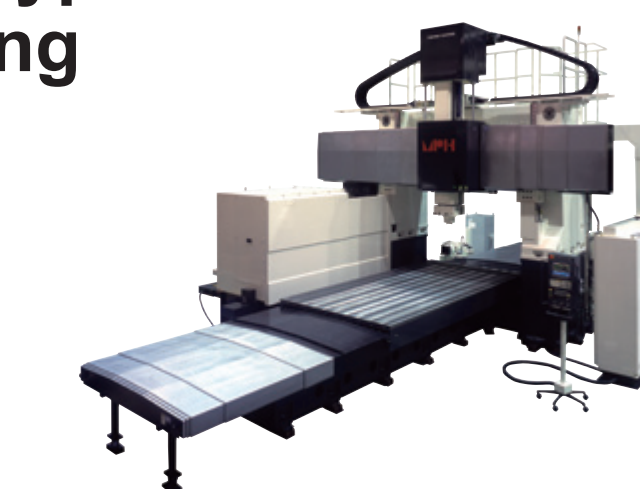

- Table Type Horizontal Boring and Milling Machine

- ★ Large size Turn & Mill Complete Machining Center

- ◆ Bridge Type 5-Axis Machining Center

- Bridge type Machining Center

### Injection Molding Machines

- Die locking force:20~350t Injection Molding Machines

- ▲ Die locking force:450~1300t Injection Molding Machines

### FUJI SEIKI MACHINE WORKS, LTD.

- FUJI SEIKI MACHINE WORKS, LTD., Wet blasting machines
